About Fusion Access

At FusionAccess, we are all about you! Our goal is to go beyond what is possible through increasingly challenging traditional insurance coverage and provide integrative healthcare through a cash pay, membership based practice. This innovative approach to medicine allows us more time and freedom to partner with you in your wellness journey. FusionAccess patients will have options for more frequent provider visits, priority scheduling with Dr. Fox, text, phone, and Passport access to providers, and discounts on supplements, injectibles, and IV therapies for a low monthly fee.
